Volume 24 Number 12 Thursday, February 16, 1950

Central Washington College of Education in Ellensburg

1 of 5 Co-eds To Rule As Ball Queen

One of the girls chosen by the W club—Rita Jobe, Dot Davis, Wanda Baldwin, Joyce McClellan, or Muff Gilchrist—will have the honor of being crowned queen of the Colonial Ball. Who the lucky gal will be, is to be determined by a student vote.

Late leave till 1 a. m. will be allowed the girls for the Ball. Only 250 couples tickets will be sold to this dance, at \$1 a ticket. Dancing will be from 9 to 12, and the Music Makers will play.

SGA committeemen, when asked about decorations and refreshments, replied, "It's a secret, b'gosh!" so you will have to attend the dance to find out.

Lions' Present "It's A Date" Fri. Sat. In College Auditorium

"It's a Date" is the title of the Ellensburg Lions' variety show, which will play Friday and Saturday nights at 8 p. m. in the College Auditorium. The show featuring local talent is based on a Homecoming theme and will contain 10 acts.

The plot revolves around two alumni Jerry and Jo who return to the Homecoming festivities and try to decide which month of the year to be married in. While making their decision the play involves a Christmas scene, a minstrel show and other scenes around the calendar.

The cast made up of townspeople and college students will also include a local choir and a group of grade school children. College students participating in the program are Marion Adams, Barbara Alexander, Donna Croteau, Eleanor Diamond, Doris Fuehr, Phyllis Gillette, Glenna Herberd and Ann Vowles.

Admission to this hour and 45 minute show is one dollar. Proceeds from the event will buy books for the Lincoln school library and aid to the blind.

Norton Reveals APO Revisions

To further service, which is the group's prime objective on the Central campus, through efficiency, Alpha Phi Omega, men's service fraternity, recently reorganized its committee system, Bernard Norton, president of the organization has revealed.

The executive committee is under the direction of Norton, who is from Grandview; the service committee, Duayne Hall of Sunnyside; social aid fellowship committee Kenneth Johnson of Bellevue; membership expansion, Ray Smith, present president of the James E. West memorial pledge class from Ephrata; program, Robert Dahlquist of Kitsap; and publicity, Robert Ettinger of Tacoma.

Dahlquist began his reign last Tuesday night by showing films to the members at their social meeting. Smith has reported that there are nearly enough fellows in APO to fill another pledge class and by spring quarter there will be another underway.

Investigation Reveals Birth And Expansion Of Visual Aids Section

Tucked away in a corner of the music building, SEVENTEEN part-time students, two graduate students and five permanent employees of the Visual Aid Department efficiently order new films and dispatch a yearly average of 8,654 opaque units, film strips and sound films to seventy-two contracted public schools.

Burnett Gets Education Post

Dr. Lewis Burnett, director of off-campus student teaching, was appointed to the Washington Education Association committee on teacher education and professional standards, it was announced recently.

The appointment was made by the state executive committee. al standards, it was announced which Dr. Burnett is a member is to meet and make recommendations on teacher education programs and student teaching for WEA.

Dr. Burnett joined the CWC staff in the fall of 1948 as director of off-campus student teaching. Increased enrollment and the expansion of the teaching training program at the college made necessary the expansion of the student teaching program.

Recognized the country over as perhaps the most outstanding and leading organization of its kind, the birth of the Visual Aid Department was in the summer of 1938, when Dr. Loron Sparks had a class, Ed. 139—Visual Instruction.

At the beginning of the fall quarter of 1938, President R. E. McConnell, Dr. Sparks and Mr. Ernest Muzzall organized the Department of Public Service and Visual Aids, with Mr. Muzzall as director and instructor of visual aid classes. Muzzall's interest in this work was sparked by his success in setting up Visual Aid for the Toppenish Public Schools.

At first, there was one 16 mm. projector and about 50 films. Mr. Muzzall recalls that his greatest problem was shifting the one projector from the top floor of one building to the top floor of another.

Band Appears In First Two Concerts Tuesday

The Central Washington College band, under Director Bert Christianson, will present a dual performance Tuesday, February 21, in its annual band assembly and concert. The assembly presentation will be at 10.00 and the evening concert is slated to begin at 8:15. This will be the initial appearance of the concert band for the 1949-50 school year.

Included in the program will be the same numbers which were used on the Winter quarter tour Monday and Tuesday of this week. They were listed in a front-page story last week.

A special feature of the morning assembly program will be the presentation of the CWCEans in their first formal appearance before the student body this year.

There will be no admission charge to either program and the public is invited to the evening concert.

Kem Announces Tour Schedule

Four scenic tours have been planned for students attending summer session this year. Shelton Kem, manager of summer tours, has announced plans for trips to Coulee Dam, Lake Chelan, Mt. Rainier and Table Mountain.

First trip is scheduled for June 24. It will include Coulee Dam, Dry Falls and Ginkgo park. To be made in a privately chartered bus, the trip will extend through the Coulee area and return through the Wenatchee apple country.

The over-night trip to Lake Chelan will be July 8 and 9. A chartered bus will carry students to the city of Chelan. They will then transfer to boat to make the 59-mile trip over water to Golden West Lodge, Stehekin. The country has been called "the Switzerland of America".

Students may participate in such activities as square dancing, cards, fishing, hiking, swimming, boating, badminton, ping pong, barnyard golf and shuffleboard. Saddle horses are available for those who wish to ride.

Mt. Rainier will be visited on July 22. Activities will include fishing, hiking and photography. The afternoon is planned for exploration and relaxation at the base of the mountain.

An over-night camping trip is planned for the Table Mountain excursion. Campers will have a chance to see one of Washington's largest elk herds and eat a bean-hole dinner 6,000 feet up in the Cascade wonderland. They will camp out under the stars, fish, hike and explore the primitive and scenic Table Mountain country.

A minimum of 25 is needed for each tour except the Table Mountain trip which is limited to 20. Cost will be determined on a prorated basis.

'Double Bill' Near Ready, Directors

With tryouts completed and rehearsals well under way, the Double Bill, two one-act plays, is shaping up quite well, according to student directors Gale La-Trace and Delbert Pratt.

Those who received parts in the two plays, "One Touch of Nature" and Brother Bartholomew," are as follows:

Angela Greene, Joi Slusher, Donna Richmond, Vida Hagstrom, Stan Kibbey, Lloyd Miller, Dave Berg and Barbara Bennison.

The Little Theatre is the scene of much activity with the cast rehearsing each evening there, and with Mr. Norman Howell supervising the stage crew in constructing the scenery for the two plays. Those on the stage crew are Gerhard Dieckmann, Willie Damrau, Gene Parsons and Russ Porter.

Costumes properties chairman is Donna Richmond while Betty Portwood performs the double duty as prompter and stage manager.

Performances of the two one-act plays will be given on February 27, 28 and March 1, in the Little Theatre.

"We are quite pleased with our casts," the directors remarked, "and with the work they are doing we feel quite sure that the time put in on the production will not have been spent in vain."

Chesterfield To Award Carton Of Cigarettes For Best Weekly Letter

Perhaps everyone has had the urge to write a letter on some campus issue to the Campus Crier but has lacked the necessary incentive. Starting this week the incentive will be furnished in the form of a carton of Chesterfield cigarettes through the courtesy of the Liggett and Myers Tobacco Company.

A best letter will be chosen by the editorial board of the Crier and the Chesterfield representative on campus, Dick Norman. Suggested topics are cafeteria conditions, the social program, Crier improvements, the curriculum, the building program, and athletic facilities. Letters may be submitted on any campus issue but should contain concrete ideas and/or constructive criticism.

Letters must be in the Campus Crier office by noon of the Saturday preceding the next week's publication.

A carton of Chesterfields should prove incentive for many good letters. Any person on campus is eligible for the contest with the exception of the Crier staff members and any person connected with Liggett and Myers Tobacco Company.

NW Association Post Given Dean

Mrs. Annette Hitchcock, dean of women, was elected secretary-treasurer of the Northwest Association of Deans of Women last week when the group met in Tacoma in conjunction with Northwest Guidance and Personnel Associations conference.

Dr. E. E. Samuelson and Dean Robert Fisk attended the meeting of the guidance and personnel meeting. Mrs. Hitchcock attended both meetings.

Other officers elected to other deans of women group were Miss Lulu Holmes, assistant dean of students, Washington State College; and Miss Hazel Ohmert, vice principal of Portland high schools.

Personnel staffs of all colleges and universities in Washington, Oregon, Idaho and Montana attended the sessions. The theme of the personnel sessions was Developing Responsive Citizenship Through Personnel Work. Senator Wayne Morris of Oregon gave the main talk of the conference.

NOTICE

Pre-registration for Spring Quarter will be held the week of March 6 thru 10 inclusive.

Is cupid's arrow pointed at you? Cupid, portrayed by sprightly Marilyn Dreher above, is pointing the arrow at everyone, to remind them that only one more day remains before the Cupid's Informal, annual dance sponsored by the sophomore class, will dominate Central activities for a three-hour period in the Men's Gym tomorrow night. Photo by Cliff Jenkins

Cupids To Frolic At Soph Informal Tomorrow Night

Winter holiday decorations of valentines, colorful hearts and a huge centerpiece of small cupids aiming their darts of love at the twirling couples below them, will comprise the decorations at the Cupid's Informal tomorrow night in the Men's Gym.

Workshops Slated For Summer School

Several special features will be offered to students attending the 1950 summer session on the college campus it was announced by the office of the director of instruction this month.

Special features to be offered are as follows:

A workshop in health education will be held the first half of summer session. It will emphasize all phases of the school health program in keeping with the needs and interest of workshop participants. Practical solutions of school health problems will be encouraged with students forming into work groups according to their interests. Special lectures will be given by members of the medical profession and the state department of health.

Science teachers at all grade levels will participate in the science education workshop. The development of pupil interest in his environment appreciation of its importance and the application of the scientific method will be treated.

Importance of education for safe living will be emphasized in the safety education workshop. Students will be given the preference of pursuing problems of safety education as they are related to their teaching situations. This workshop will be held during the first session of summer school.

Conservation field studies during the first half of summer session will be a feature of the social science division. It will combine classroom work and field studies. First hand study of Kittitas valley and its history will dominate the course. This will proceed to an emphasis on resources and industries. Field trips will be made to all parts of Kittitas county to study forest areas, irrigation systems, coal fields, ranching and city utilities.

During intermission and the second portion of the dance, King Cupid, to be chosen by an all-girl vote from a selection of five Central men nominated by the women's living groups, will reign over the festivity marked affair.

Two small cupids will carry the crown to the huge throne, where Mrs. Annette Hitchcock, Dean of Women, will place it on the head of the chosen ruler.

Candidates as announced in the Campus Crier last week are Ronny Fry, Kennedy; Jack Gunns, Off-campus Women; Hal Lindstrom, Elwood House; Russ Porter, Kamola; and Bill Wilkinson, Sue Lombard.

Mrs. Hitchcock has announced that all girls are granted late-leave for the dance until 1 a. m. Saturday. The dance is scheduled for 9 to 12 p. m.

With the sponsors of the affair, the sophomore class, promising the popular music of the Music Makers, it expects all Central girls to find themselves a man, get their ticket for \$1.50 from outside the postoffice today and tomorrow and drag him to the dance of the cupids, Cupid's Informal.

Athletes Pick Candidates Plan H. S. Scholarship

At the last meeting of W Club, members nominated the five candidates for Colonial Ball Queen. They also discussed the awarding of a scholarship to some outstanding high school athlete of this state. Bud Kapral was appointed to refinish the MIA softball trophy. They also discussed the possibility of having a skating party for the members of the club.

After their business meeting, those attending viewed movies of the 1948 CPS-Central football game and a short Woody Woodpecker cartoon.

Coach "Shorty" Luft was guest speaker of the evening. He narrated the football film and gave a short talk.

The Outside World

by LIZ SLATER

Is it a habit or a dream? COAL STRIKE: MINE WORKER WALK OUT. Periodically the national attention is focused on the mighty eye-browed figure who determines the fate of the coal supply and apparently the man who supplies it, the miner.

Is John L. Lewis justified in his autocracy. Here are some facts and figures from the "Monthly Labor Review" for March, 1949. In 1933, a coal miner received a .59% hourly wage; in 1942, \$1.02 and in 1949, \$1.78—through negotiations with management. And here are some further facts for providing thought.

In 1933, no vacation provisions. In 1943, 10 days annual vacation with \$20 vacation pay. This has since risen to \$75 and now \$100. In 1933, no provisions for equipment. In 1943, necessary safety equipment, carbide or electric lamps, provided by the management. In 1933, no welfare provision. In 1948, Welfare and Retirement Fund established and financed by a contribution of five cents a ton on any coal that is bought or used. Since, this has risen to a 20 cents a ton contribution . . . and any way that you look at them Lewis has been a key figure in bringing about these changes.

Is John L. Lewis justified in his autocratic position and behavior? Is the mine chief carrying his demands too far?

The administration fought it; Truman sidestepped its use in the Steel Strike, but Lewis and the UMWA have required the use of the Taft-Hartley Law by Truman and the Democrats. It looks like good or bad, the Taft-Hartley Law is here to stay.

Cats, Lutes In League Tilt Here Tonight

Loggers Thump Cats 64-38, Gain Second Place

● Central's Wildcats literally couldn't buy a basket Friday night, as both their defense and offense fell to pieces, and the CPS Loggers went romping over them to the tune of 64 to 38 to knock the Cats two rungs down to third place on the Evergreen ladder.

From the opening second of play to the final gun there was very little doubt as to who would come out on top. Rod Gibbs opened the scoring with a free throw followed by Dick Brown's field goal and the Loggers were off to the races.

Long gave the Cats their initial tally with a gift toss, and Gibbs, Brown and Bill Stivers of the Loggers sank quick field goals to

make the score 9-1. From there on in, CPS continued to widen the gap. With ten minutes gone the scoreboard read 20-6, and at the half the Loggers were comfortably ahead 35-17.

Gibbs, Stivers, and Brown again opened the attack in the second half and extended the could manage a point.

The Wildcats showed brief flurries all through the game but were never able to come within 19 points of the Loggers during the second half. CPS piled up its biggest lead of 28 points at 62-34 with just a few seconds remaining in the game.

The Wildcats appeared to be bothered by the new glass backboards in the vast CPS fieldhouse, but that certainly wasn't the only trouble. Their 38 points comprised the lowest total they have scored this year.

Central's poor defense was a major factor in the loss also. The Loggers repeatedly broke through for lay-ins and had numerous beautiful shots from the floor. Central, on the other hand, found it almost impossible to get the ball into the key, and most of their shots from the floor were hurried by the stiff Logger defense.

Gibbs turned in a remarkable game at center with several difficult hook shots to walk away

Thursday, February 16, 1950
Campus Crier

with high point honors. He sank 14 counters. Long got the bulk of the Wildcat scoring with 12 points followed closely by Brown of CPS with 11.

The win put the Loggers a half game ahead of the Wildcats in second place, and turned the conference into a three-team race with Central, Eastern and CPS battling it out. The remaining key games will be CPS vs. Eastern next week, and Central vs. Eastern on February 27.

MIA Playoff Draws Near

● As the end of the season draws comparatively near, just one MIA team has managed to go undefeated thus far. The independent Coal Miners have gained eight victories in as many starts to top the list.

The key game now appears to be the Coal Miners vs. the Alford Vikings next week. The Vikings are one game behind with a 7-1 record.

Other teams that are right up at the top are Montgomery with a 7-1 record; Munson Gophers, (continued on page four)

Looking... THROUGH ...the Hoop

with JERRY FENTON

● Friday's CPS game was a bitter defeat for the Wildcats as it dropped them way down to third place in the Evergreen Conference. It'll have to be a tough uphill climb if Central wants to annex the 1950 Evergreen title, but they've got what it takes and it can be done.

As for Friday night, I don't think it made much difference whether the Cats played CPS or last-place British Columbia; it was just one of their off nights right. Nicholson and Peterson failed to score at all from the field, and Nicholson missed three foul shots after missing only four in 19 previous games this season.

Other games last weekend saw the Savages grab a pair of tilts from Western and UBC respectively to remain on top of the league, CPS whipped the Gladiators to retain the second spot, and in contrast with Friday night the Wildcats hit from all angles in swamping St. Martins 83-52.

CPS's 6'7" Rod Gibbs is continuing to lead the league in the scoring department. He poured in 33 points in his two games last week to boost his ten-game total to 148. He has improved rapidly as of late and retains a good chance to take the honors this year.

Cats Romp Over Rangers In High Scoring Fracas

● As hot Saturday as they were cold Friday, the fired-up Wildcats took their revenge for the CPS defeat on the St. Martins Rangers as they romped over them 83-52 to remain in strong contention for the Evergreen title. It was the highest amount of points compiled by the Cats this season as in sharp contrast with the 38 they got the previous night, the lowest amount they have yet scored.

They hit from all angles and virtually couldn't miss as they jumped into a quick lead and continued to pull away throughout the contest.

After being held scoreless from the field by the CPS Loggers, Nicholson and Peterson hit their stride against the Rangers and threw in 19 field goals between them as well as playing excellent floor games. Peterson scored 12 of his points in the first 10 minutes of play and sparked the Cats to a 41-23 half-time lead.

Dowen also showed well in picking up 11 points on four field goals and three foul shots.

High scoring honors went to Peterson with 24 points followed closely by Nicholson with a total of 20 counters. Sullivan was high for the Rangers with 16 tallies. Central hit 34 for 83 field shots for a respectable 41 per cent average.

Just the previous night the Rangers had upset favored PLC for one of its sweetest victories this year. It was the first time St. Martins has been able to defeat the Gladiators since their hostilities began a few years ago.

This win left the Cats clinging to an outside chance of taking the Evergreen title again this year, but they still have five games to go, three of these against the stronger teams in the league.

Central Treks To PLC Saturday In Battle In Regain League Lead

● Title hopes of Central Washington's cagers will be hanging in balance this weekend as the Wildcats face the Pacific Lutheran Gladiators in a pair of crucial tilts which will be do-or-die for the Cats. Central will virtually have to sweep this pair to remain in contention with the league-leading Eastern Savages and the second-place CPS Loggers.

The Gladiators travel to Ellensburg Thursday to engage the Wildcats in the first of the two games, and Central in turn will return to Parkland with the Lutes to meet them on their home floor in the series finale.

The Parklanders are currently riding on a three-game losing streak which they will definitely be out to snap this weekend at the expense of Central. Eastern, St. Martins, and CPS downed them in that order to virtually throw them out of the title race with a 5-5 record thus far. The Wildcats, on the other hand, were knocked down to third place in the present standings by CPS.

Getting around the Gladiators isn't going to be as easy for Central as it may seem, though, as they boast a great deal of basketball talent and could easily hit their stride against the Wildcats.

Pacific Lutheran's "High Harry" McLaughlin is probably one of the most outstanding all-around basketball players in the Pacific Northwest. A few weeks ago he set a new west-coast four-year college scoring record and is continuing to pile up points in defense of it. McLaughlin is an excellent rebound man and probably will give Chuck Long a tough battle at the center position.

Gene Lundgaard is another high scoring Lute who is usually pretty consistent in that department. He'll have to be checked closely at forward.

Tonight's probable starting lineup for the Gladiators will be McLaughlin at center, Lundgaard and Hefty at forwards with Schaffer and Berentson at guards. Coach Leo Nicholson will probably start Long at center, Dowen and Jones at forwards with Peterson and Nicholson in the guard slots.

The Wildcats will complete their schedule next week with three home games. They will play UBC on Thursday, Western on Saturday, and Eastern on the following Monday.

Also at stake are the berths in the National Association of Intercollegiate Basketball playoffs to be held March 3-4 at a site yet to be announced. The two Evergreen teams automatically earn berths; the third club faces a playoff with the second ranking independent.

History Of Visual Aids  
Department Disclosed

(continued from page one)

her and scheduling the appearance of films in the dozen contracted schools, "Which was no small task," he added.

In 1942, the Visual Education and Extension Teaching Department was separated from the Office of Public Service and Dr. A. J. Foy Cross was appointed director for the year 1942-43. In the summer of '43, he joined the Navy as an officer and was absent for three years. In 1946, he resumed his position until last fall, when he took an appointment in the school of Education at New York University, to develop the extension service there.

During his three-year absence, Mr. E. B. Rogel was acting director of the service. When Dr. Cross returned, Rogel was appointed registrar until last fall, when he took over the Public Service department. The present acting director, Mr. J. Wesley Crum, and four other permanent employees, Marvin Schroder, assistant director; Lila Chandler secretary to Mr. Crum; Beverly Jenkins, secretary to Mr. Schroder and Ruth Mazanti, film librarian, now handle cataloging and distribution of materials to as far away as China.

The films library has an average of over 1,250 16 mm. films on hand. These are supplemented by 801 film strips, and 140 flat-picture units for opaque projection. Nine 16 mm. projectors, 2 opaque projectors and 2 wire recorders now replace the original 1 sound, 1 opaque and 1 glass-slide projectors.

Mr. Muzzall has pointed out that the department is of great value to the students at CWC. Besides furnishing class instructional materials, it provides a number of them with employment as audio-visual specialists in public schools. The latter is possible if a master of Education degree with a major in audio-visual and teaching aids is taken.

In recalling his past experience, Mr. Muzzall says, "The department has had a very large part in the use of such materials (audio-visual) in this state. We've come a long way in ELEVEN years."

Radio Club Airs  
Original Show

"Strictly from Humor" a half-hour radio show written by the Crier's own Bob Loeffelbein and sponsored by Central's radio club, the Central Broadcasters, will be aired over KXLE next Wednesday night from 7:30 to 8. in the College auditorium.

The program, based on the Jack Benny type of radio show, is just as its title suggests, full of fun, gags and laughs for everyone, Dick Norman, radio club president, reports.

Featured in the script will be Bob Slingland as a typical professor from the students' angle, with Dina Rossetti as the coy coed. Dave Jenkins, will portray the radio version of the private detective in a short skit on local crime waves.

MIA SCHEDULE

(continued from page three)

Munson Boondockers, and Carmody 2, each with 6-1 records; Munson Guzzlers with an 8-2 record, and Carmody 1 and W Club 2 with 6-2 records.

Wool and Fur  
Luxury  
Sweater

Fine virgin wool is enriched with rare fur fibres to give you a sweater of incredible luxury. A triumph of the spinner's art — superb texture, delightful to the touch. So soft, you won't believe your fingers. In mellow colors of exceptionally handsome cast.

\$12.50

others from \$5.95 - \$18.50

George and Harry's  
New Haven, Conn.

In New Haven, George and Harry's is a favorite student gathering spot. At George and Harry's—Coca-Cola is the favorite drink. With the college crowd at Yale, as with every crowd—Coke belongs.

Ask for it either way... both trade-marks mean the same thing.
